Goldwell Topchic Revealed

This Course focuses on Topchic, formulation, grey coverage, mixing and application.

Goldwell Colorance Revealed

This Course also focuses on Colorance and color balancing.

Goldwell Color Restore Revealed

Creating the perfect color palette is essential to the success of any professional color service. Despite too dark, too light, too red or faded hair, this seminar will give you the knowledge, skills and confidence required to perform color correction with excellence.

Goldwell Elumen Revealed

Expand your pursuit of color perfection to a new category of hair color—Elumen. Learn how this technology allows you to enhance your creativity and offer new, brilliant and long-lasting color results for your clients.

Goldwell Blonde Ambition

All about hair painting, this program will show you techniques for creating both subtle color flourishes and the most progressive fashion looks. Fundamental color painting skills, hot trends and pitfalls to avoid — you'll get the ins and outs of free form hair color — a superb way to expand your creative portfolio and increase revenue.

Cutting Courses

A true hairstyle is not just the cut or shape; it's the seamless integration of both. Goldwell/KMS Cutting Courses take your cutting techniques to a higher level and explore unlimited creativity.
